

**10th Annual Pediatric Cancer Research Foundation
Dream. Discover. Cure.
Golf Tournament**

We invite you to join our effort to end the suffering of children afflicted with cancer by supporting the **10th Annual Pediatric Cancer Research Foundation Dream. Discover. Cure. Golf Tournament**. This event has helped raise both public awareness and funds for the innovative research being done at the PCRFL laboratory directed by Mitchell S. Cairo, M.D. at the Maria Fareri Children's Hospital at New York Medical College. At PCRFL we are committed to continuing to fund this research so that every child can have the hope of a cancer free future.

The golf tournament will be held on **Monday, July 10, 2017 at The Whippoorwill Club** in Armonk, NY. A full day of golf will be followed by an awards dinner, featuring both a raffle and live auction. We invite and encourage you to support this year's tournament with a tax-deductible donation of an item or gift certificate to be auctioned during the event.

To participate, please complete the enclosed donation form and mail it along with your donation to the address provided. If you are sending a gift certificate, please consider making the certificate valid starting July 10, 2017 and expiring 12 months later. Your company's name, the donation and description will be featured in the auction catalog. If you should have any questions, please call the PCRFL office at (949) 859-6312.

On behalf of the Pediatric Cancer Research Foundation, Dr. Mitchell Cairo and the children who benefit from our collective efforts, thank you for supporting our fight against childhood cancers. Your involvement is critical to providing a brighter future for all the children and families facing pediatric cancer each day.

Sincerely,

Jeri Wilson

Catherine Raack
