

The **Pediatric Cancer Research Foundation** (PCRF) started here in Orange County 35 years ago with a small group of dedicated parents, physicians, and community partners, all with **one common goal – saving children’s lives**. PCRF has since raised over \$40 million for research that has led to many positive advances in the treatments and survival rates of children.

What we’d like to share with you today is, PCRF’s 24<sup>th</sup> annual Western Roundup event. This event is PCRF’s only “FUN”-raiser exclusively for oncology patients and their families. We are excited to provide over 200 cancer families with a “cancer-free” day full of carnival rides, game booths, petting zoo, pony rides, fishing, arts and crafts, and more! As part of this special event, we give out prizes to patients so that they have the opportunity to enjoy more experiences this summer at local businesses throughout Southern California.

**We ask you to consider donating a “family 4-pack experience” as a prize for this event.** Your tax-deductible gift will provide a cancer patient and their family with a fun-filled day full of amazing memories. This is a wonderful opportunity to showcase the giving spirit of your business, while supporting a cause where 80% of all donations will go directly to research that is saving lives today.

For more information or  
for volunteer opportunities  
please call PCRF at (949) 859-6312
