

# SUPER GALA

35<sup>TH</sup> ANNUAL PEDIATRIC CANCER RESEARCH FOUNDATION

BID FOR THE KIDS GALA

BECAUSE SOME BATTLES ARE WORTH FIGHTING FOR

The Pediatric Cancer Research Foundation cordially invites you to include us in your philanthropic giving as a Super Sponsor for our **35<sup>th</sup> annual Bid for the Kids Gala, on Saturday, October 20, 2018**. Together we will dine, dance and bid surrounded by the most rare and exotic cars in the world at the **Marconi Automotive Museum** in Tustin, CA.

The Pediatric Cancer Research Foundation (PCRF) started right here in Orange County 36 years ago with one goal – saving children’s lives. PCRF has since granted out over \$32 million to research that has led to more survivors than ever before. The fact remains that not all children survive. **It is those children, who left us too soon, who remind us that – we must continue funding this important research.**

At PCRF we know that some battles are worth fighting for. For 36 years we have thrived against pediatric cancer with the help of our heroes – ordinary people, doing extra ordinary things. It is with great pleasure and respect that we announce our heroes for this year’s **Save a Life Award Honorees** will include both an individual and an organization that has done extra ordinary things to help pediatric cancer research thrive:

## Keith Koeller, Individual Recipient

Keith is an active member of our board and has experienced pediatric cancer firsthand with his own son’s cancer journey. Today his son, Greg, is a thriving survivor. His cancer does not define him or hold him back from life’s greatest experiences. He is a reminder of why research works and why funding is necessary for future children – so that they can thrive just like Greg.

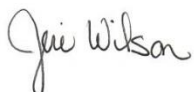

## Beckman Coulter Foundation, Organization Recipient

The Beckman Coulter Foundation has supported the mission of PCRF for over 25 years! From funding research grants and lectureships, to creating countless auction baskets, their commitment toward helping find a cure for pediatric cancer has remained constant. What began with a single employee, has since flourished into hundreds of employees over 2 decades creating hope for a cure.

**You too can make a critical difference in the path of every cancer fighter’s journey.** This special event provides a number of opportunities for individuals and organizations like yours to support us with a donation, sponsorship, or in-kind contribution. Your tax-deductible gifts will receive recognition at the event with over 300 guests present.

**Be a hero.** Showcase the giving spirit of your business, while giving back to a cause where over 80% of all donations will go directly to research that is saving lives today.

Your gift powers hope,

Jeri Wilson  
Executive Director

Erin Arreola  
Director of Special Events
