

SUPER GALA

35TH ANNUAL PEDIATRIC CANCER RESEARCH FOUNDATION

BID FOR THE KIDS GALA

BECAUSE SOME BATTLES ARE WORTH FIGHTING FOR

We are excited to invite you to join us as we celebrate our **35th annual Bid for the Kids Gala**, on Saturday, **October 20, 2018** at the **Marconi Automotive Museum** in Tustin, CA. In honor of this special year, we are recognizing our very own Super Heroes who understand that some battles are worth fighting for. These individuals and organizations are ordinary people, doing extra ordinary things to help pediatric cancer research thrive.

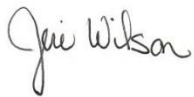

The Pediatric Cancer Research Foundation (PCRF) started right here in Orange County 36 years ago with one goal – saving children’s lives. PCRF has since granted out over \$32 million to research that has led to more survivors than ever before. The fact remains that not all children survive. **It is those children, who left us too soon, who remind us that – we must continue funding this important research.**

Be a hero and make a difference in the path of every cancer fighter’s journey with a tax-deductible donation of an item or gift certificate to be auctioned off during the event. An event of this magnitude provides a number of opportunities for brands and organizations like yours to receive exposure from over 300 guests shipping our silent and live auctions. If you’d like to join us in helping pediatric cancer research thrive, our committee has included a list of key items and opportunities where you can support us the most.

Showcase the giving spirit of your business, while giving back to a cause where over 80% of all donations will go directly to research that is saving lives today.

On behalf of the Pediatric Cancer Research Foundation and the children who benefit from our collective efforts, thank you for supporting us in reaching our goal. If you have any questions, contact our office at (949) 859-6312.

Your gift powers hope,
