

TRIED & TRUE FUNDRAISING TIPS

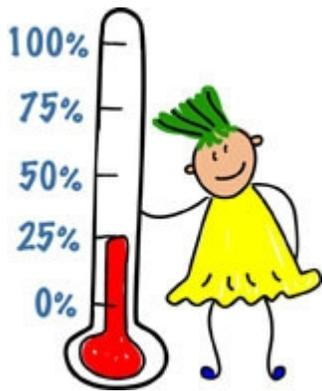

Power of 10 – Ask 10 friends' for 10 dollars and you'll already be at \$100!

Throw a Party! – Host a potluck, barbecue, wine tasting, movie night or happy hour after work and ask your family and friends to donate \$10 per person to attend.

Restaurant Night Out – Ask local restaurants to contribute a percentage of the day's sales to help reach your goal. Restaurants are often pleased to host a fundraising night out.

Involve Your Kids – Have your kids get involved in their own way with a bake sale or lemonade stand. Let them use their imagination!

10 STEPS TO RAISE \$500

- | | |
|--|-------|
| 1. Show your commitment and contribute to yourself | \$25 |
| 2. Ask your family members to match your donation | \$75 |
| 3. Ask your coworkers to donate (5 people give \$5) | \$25 |
| 4. Ask a vendor or supplier from your company | \$50 |
| 5. Ask 5 friends to sponsor you for \$5 each | \$25 |
| 6. Ask everyone in a club/group (10 people give \$10) | \$100 |
| 7. Send out a letter to your holiday card mailing list | \$100 |
| 8. Ask business that you visit often for a donation | \$40 |
| 9. Ask someone who has asked you for a donation | \$10 |
| 10. Ask you boss for a company contribution | \$50 |

TOTAL **\$500**

More Ideas

- Car washes
- Bake sales

TOOLS & RESOURCES

GOAL!

The most successful fundraisers use a combination of the 8 strategies below.

You can feel proud of the work you're doing by reminding your supporters that over 80% of every donation goes directly to research that is saving lives today.

Online

Join your team at cure.pcrf-kids.org/UCLA and use the online tools to send emails, follow-up messages and thank-you notes. You can even keep track of your donations in real time through email notifications and your team page.

Social Media

You'll be surprised at the support you'll receive from a Facebook post, Instagram photo, or Tweet. Use the Facebook, Twitter, and e-mail share buttons on your personal fundraising page.

Another smart strategy: thank donors by tagging them publicly on social media. It's the right thing to do, and a great reminder to those who haven't yet donated.

In Person

Not everyone reads email. You may have more success asking for donations from local merchants and service providers in person. For family teams, get your children involved, too. Most people are happy to donate directly to kids.

Letters

A letter shows you've made an effort and also **serves as a physical reminder.** Ask for the check donation when reaching out to people who may not be comfortable making their donation online.

Supporters

Think of all the people you do business with and ask them to support your team. Include your dry cleaner, dentist, hair stylist and auto mechanic, too. These service providers are often glad to support a great cause and help your team achieve its fundraising goal.

Matching Gifts

Many companies will match donations given by employees. Check with your donors to see if their company offers matching gifts that will help double or triple their impact.

Follow Up

Most people are willing to give, even just a small amount, but need the reminder. Just because they didn't initially respond doesn't mean that they don't want to support you. It's okay to follow up!

SPEAKING POINTS

WHAT DOES THE DRIBBLE FOR THE CURE MEAN TO YOU?

What do you say when talking about the Pediatric Cancer Research Foundation and the Dribble for the Cure event? For many of us, asking for donations is something new and it helps to be prepared. Telling a short story about why you are participating, why funding pediatric cancer research is important to you, or why this event is part of your way to give back to the community – the more personal you make your asks, the more people will relate - everyone has been touched by cancer.

ABOUT PEDIATRIC CANCER RESEARCH & PCRF

Worldwide, a child is diagnosed with cancer every 2 minutes. With over 420,000 survivors alive in the U.S. today, two-thirds will have long lasting chronic conditions as a result of their treatment. Our team at PCRF is inspired by all of these children and families affected by cancer, and they are what drives our urgent mission:

*To improve the **care**, **quality of life**, and **survival rate** of children with malignant diseases.*

We are wholly dedicated to transparency and good governance of the precious dollars received by our organization. More than 80% of funds raised goes directly to research.

MESSAGING ABOUT THE REACHING FOR THE CURE EVENT

At the Dribble for the Cure, your participation becomes a cause greater than the journey ahead of you. Take the first step and let's work together to make a difference!

Need a reason to dribble with us? How about the 420,000 reasons: that's how many survivors are alive in the U.S. today because of research.

Participating in the Dribble for the Cure event is a great way to raise awareness about the thousands of children diagnosed with cancer each year. But to make a real impact on saving lives, we need to first raise money.

Right now less than 4% of government funding is directed to pediatrics. Thanks to you, we're helping support research to find answers and develop better treatments so more families can have hope for a cancer-free future.

Join me to [#DribblefortheCure](#) and put an end to pediatric cancer. cure.pcrf-kids.org/UCLA
[#GetRegistered!](#)

Why [#DribbleForTheCure](#)? Because pediatric cancer is the #1 cause of death of children in the US!! Help support me by making a donation to my page: [\[link\]](#)

INSTAGRAM

Post a photo of your fundraising event supplies. In your caption, share that every 2 minutes a child is diagnosed with cancer and let friends know they can make a difference by visiting the link in your profile.

After receiving a donation, share a screenshot of your progress bar on your fundraising page. In you caption explain why you are walking and tag your friends and family who have already donated.

Donate your birthday, anniversary or other special occasion to PCRF and ask people to give in amount of the year you are celebrating (or more!) to your fundraising page!
