

**PEDIATRIC CANCER RESEARCH FOUNDATION'S
36TH ANNUAL BID FOR THE KIDS GALA**

**MISSION SAN JUAN CAPISTRANO
SATURDAY, SEPTEMBER 14**

Eliminate childhood cancer through leading edge research.

Founded in 1982 by physicians, parents and community leaders, Pediatric Cancer Research Foundation (PCRF) has raised over \$44 million for cancer research. This represents the persistent hard work of physicians, researchers, volunteers, staff and community partners who are dedicated to the health of our future generation - our children.

We are excited to invite you to help us continue our mission as we celebrate our **36th annual Bid for the Kids Gala on Saturday, September 14, 2019 at the Mission San Juan Capistrano** in San Juan Capistrano, CA. Our annual Gala brings together the community's most active philanthropic members and features incredible live and silent auction items, delicious food, great entertainment and the inspirational story of our research progressing forward towards finding a cure.

An event of this magnitude provides a number of opportunities for brands and organizations like yours to support us with a donation, sponsorship, or in-kind contribution. Main features of the evening will include a silent and live auction. We encourage you to support this year's event with a tax-deductible donation of an item, gift basket, or gift certificate to be auctioned off. Categories include food & travel, entertainment, sports enthusiasts & memorabilia, wine & spirits, and more.

To be included, please complete the enclosed donation form and mail it along with your donation to the address provided. If you are sending a gift certificate, please consider making the certificate valid starting September 14, 2019 and expiring 12 months later.

If you'd like to join us in making an impact in the treatment and research of childhood cancers in other creative ways throughout the event, we can provide key underwriting opportunities where you can support us the most. Your tax-deductible gifts will receive recognition at the event with over 300 guests present. Support us today and showcase the giving spirit of your business, while giving back to a cause where over 80% of all donations will go directly to research that is saving lives today.

Thank you in advance for your consideration and Spirit of Giving. With the help of business' like yours, we are able to raise the necessary funds to eliminate childhood cancer through leading edge research.

Your gift grows hope,

Jeri Wilson
