

**THE PEDIATRIC CANCER RESEARCH FOUNDATION
IS PROUD TO PRESENT THE
25th ANNIVERSARY ROD CAREW CHILDREN'S CANCER GOLF CLASSIC**
Monday, August 30, 2021, at Pelican Hill Golf Club, Newport Beach

This year we are eager to finally celebrate 25 years of impactful fundraising with our dear partner, Hall of Fame baseball great, Rod Carew, and our Annual Rod Carew Children's Cancer Golf Classic. This Orange County favorite golf tournament has raised millions of dollars for pediatric cancer research, all in honor of Michelle Carew's memory. Having to take a year off, we are excited to get this important and much-needed fundraiser back on course to help save more children battling cancer.

"While these have been unusual times, I want to personally thank you for helping to keep your eye on the ball for pediatric cancer research. Funding research is even more vital today for our already immune-compromised kids. I thank you for your past support and hope you will join us on the course to celebrate 25 years of hard work and life-saving research." – **Rod Carew**

The 25th anniversary tournament will be held on **Monday, August 30, 2021, at the Pelican Hill Golf Club.** The tournament will follow all current state and local safety guidelines as they continue to evolve, which will include social distancing measures. At this time foursomes will have scheduled tee times, and a Shamble format will be played on the course. Breakfast, lunch, and our sponsored welcome bags will be featured, along with an online auction, and more!

Today we cannot prevent children from being born with pediatric cancers. We can, however, provide them with treatments to overcome many types of these diseases. Please consider how you or your organization might show your support for these kids in 2021. **Your support assures families that are fighting cancer every day, of every year, that they are worth more.**
