

OUR MISSION

The Pediatric Cancer Research Foundation identifies and invests in leading-edge research that demonstrates the best hope for a cure to childhood cancer.

CANCER IS THE **#1**
CAUSE OF DISEASE
RELATED DEATH IN **CHILDREN**
under the age of 15 in the United States

To this day,
LESS THAN **4%** GOES TOWARDS
CHILDHOOD CANCER RESEARCH.

BECAUSE OF
RESEARCH
THE CANCER DEATH RATE HAS
DROPPED MORE DRAMATICALLY
THAN FOR ANY OTHER AGE GROUP.
